

Cleethorpes Trip

Thursday 15th & Tuesday 20th July 2021

The train leaves Doncaster station at **10.37am** for a journey that will take **1hr 15 mins**. There are toilets on the train, but no refreshments

Cleethorpes station has a few steps, which can be avoided by using the ramp down to the road. Turn left out of the station onto a level footpath for a short walk, which should not cause any difficulties, to the lunch venue. Walk past several bingo, candy floss and ice cream stalls on the way to the **Punch Bowl Restaurant**. The first door has a few steps but the further door has wheelchair access and a disability toilet. This door opens into the room reserved for us.

Lunch will be a choice of fish and chips, or steak pie and chips, or other choice, all with vegetables, followed by homemade desserts and a cup of tea, all of the highest standard.

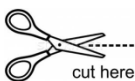

The return train will be at **15.27 (3.27pm)** arriving back into Doncaster at **16. 58 (4.58pm)**

Lunch has been arranged for 12.30 but the restaurant management is obliging and flexible, so there is no rush. There will be time afterwards for fun activities before the return train.

All aspects of the trip are provided free by DonMentia, so the only cash you will need is for candy floss, the slot machines or a ride on the choo-choo train!

*Whilst the outing is absolutely free to all participants any contributions will be welcomed to go towards another event, activity or outing. However, this is entirely voluntary and there is **no** obligation to donate*
